

RENOVATE HIMALAYA

INTERNATIONAL MOUNTAIN WEEK, 2020

Date: 14 December 2020 | Place: Online event | Schedule: 11 AM onwards

AGENDA

Celebrating the theme "Mountain biodiversity" on the auspicious occasion of the International Mountain Week, the main agenda of the webinar is to develop a planning strategy for conserving alpine and sub-alpine biodiversity in the SECURE landscapes of Uttarakhand. The panel of experts is therefore expected to deliberate on the following:

Important points:

- Defining the extent and intensity of habitat degradation in SECURE Himalaya landscape
- Identification of drivers of degradation
- Preparation of a restoration plan of degraded lands for alpine and sub-alpine regions.

SESSIONS WITH AGENDA POINTS

Session	Agenda Points
Session I	Extent, intensity and drivers of habitat degradation in SECURE Himalaya landscapes
Session II	Restoration plan for degraded lands in alpine and sub-alpine regions

About ENVIS:

ENVIS Centre on Himalayan Ecology at G.B. Pant National Institute of Himalayan Environment (GBPNIHE) was established in 1992 with the financial support from the Ministry of Environment, Forest & Climate Change Government of India.

HONORABLE KEYNOTE AND PLENARY SPEAKERS
